YOUTH NEWS

Join us online for Sunday School for the month of July as Mrs. Katie reads from "Not so Nice Bible Stories" by Jonathan Schkade on the St. John's Stuttgart YouTube page. These are the lesser known stories and so much fun to hear about but most importantly they all point to Jesus and His ultimate sacrifice for us on the cross.

There will be a meeting for parents about Fall Children and Youth Ministry on Sunday, July 26 following the church service. Please join us as we ask for input on what you, as parents, would like to see for the 2020-2021 School Year as we move forward. If you are unable to attend, please contact Katie with a call or text (870-673-8506).

There is an account set up in memory of Margaret Barrow to go towards Charity's school tuition. Please prayerfully consider donating to this account so Charity can continue to stay with us at St. John's.

You may place it in the offering plate or you may mail it to the church office.

Timothy Fund

As the 2020-2021 school year approaches, St. John's Lutheran School will be starting its 135th year sharing the good news of Jesus Christ to the students, families, and faculty and to the community. Each year, progress is being made. This year the projected enrollment is 111 students in K-6

God continues to bless our school with a growing enrollment, excellent teachers, administration and staff as well as support from each of you. Every year the Timothy Fund has been instrumental in providing funds to allow students to attend St. John's Lutheran School. In order to honor all 11 requests for Timothy Fund during the 2020-2021 school year, \$16,807.16 is needed.

Please prayerfully consider donating to the Timothy Fund, enabling all of the requests to be honored.

"Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6
